

PARK COUNTY RESOURCE GUIDE

33 years serving Seniors

Fully Revised for

2010-2011

Park County Senior Coalition
P.O. Box 309
Fairplay, CO 80440

PARK COUNTY SENIOR COALITION

The Park County Resource Guide is intended to provide useful information to the people of Park County. To continue meeting this goal, the Coalition updates this book annually, and relies on community feedback. Please advise us of any changes, errors, or omissions—or to just add something new for next year.

The Park County Senior Coalition exists to help seniors in Park County to live at home and in the county as long as possible. It achieves this through coordinating various programs in Park County. Primary programs include transportation, meal delivery, homemaker and handyman programs. Information and referral services are also offered. We coordinate some financial assistance, in coordination with other organizations. Please contact our office with any ideas for adding programs, improving existing programs, or to learn if one of our existing programs might help your own unique needs.

Bobbi Gore, Executive Director
(719) 836-4295
Park County Senior Coalition
P.O. Box 309
Fairplay, CO 80440

Funding from the Community Service Block Grant (CSBG) makes this Resource Guide possible. The CSBG provides federal funding to reduce poverty, revitalize low-income families and individuals in rural and urban areas to become fully self-sufficient.

The Park County Senior Coalition received non-profit status in 1984. Federal and state grant, private donations and fundraisers fund the Coalitions programs. A special thanks to Pike's Peak Area Council of Governments and its affiliated Pike's Peak Area Agency on Aging for governing and distributing a large portion of our grants received through Older Americans Act, Older Coloradoans Act, and Title IIIB funds; and to the Colorado Department of Local Affairs for providing an annual Community Service Block Grant. This support allows the continuity in our services and programs.

Thanks also to those who have contributed to the completion of this resource book, and ALL who donate their time, funds, and services to the Park County Senior Coalition. Our seniors greatly appreciate your continual support.

Should you wish to help keep our programs going, or to help expand them, with a financial contribution, please make any check payable to:

Park County Senior Coalition
P.O. Box 309
Fairplay, CO 80440

If you spotted an error, or you know of something we missed that deserves or needs to be included in next year's guide, just take a note of it below, then either give us a call at (719) 836-4295 or send the information to P.O. Box 309 Fairplay, CO 80440 or fax to (719) 836-0197.

While fire districts help with emergencies, they also offer a full-range of preventive services at no cost. Contact your local fire protection district to learn how to fireproof your home against forest and wild fires, and to make sure you have satisfactory fire extinguishers and smoke alarms.

All fire protection districts respond to structure fires, wildfires, traffic accidents, medical calls, or any other emergencies occurring in their respective districts. Anyone residing in or traveling through their districts may benefit from their services.

**PLEASE call your local fire district to inquire about
Local Fire permits and fire bans.**
